

Snug Bars

Location: Bury St Edmunds, St Albans, Hertford, Ware, St Edmunds, Aylesbury & Bedford
Sector: Hospitality
Value: 206k
Type: Furniture and fitout

The Snug Bars story started in 2005, when the intention was to create a really friendly neighbourhood bar with something for everyone, serving a fantastic range of quality crafted drinks and craveable grazing food all day, everyday.

The first Snug open in Cambridge and within the first year the team had made it a success and started work on the second bar in Hertford.

Since then the Snug brand has continued to grow and they have recently opened their 10th bar in Bury St Edmunds.

Plus are proud to be working with the Snug team to help with the finance of the fitout of a number of their new bars. The projects have included everything involved in the fitout such as bespoke bars, ice machines, signage and outdoor furniture.

They are hoping to expand further in the future and we look forward to continuing to work closely with them.

The question on everybody's lips is where will the next Snug open...well, wherever it is we will be there to help with the finance and perhaps enjoy a drink or two!

“ We have a great relationship with Plus Finance, which helped us to unlock a future potential to expand our businesses.

Their lease package was very convenient for our plans and with our 10th opening restaurant, we are now creating a brand!

”

Leasing helped our client to

- » Develop and extend their businesses
- » Fund their furniture and fitout in a most cost effective way
