# 20<sup>TH</sup> BIRTHDAY INCENTIVE SCHEME

To celebrate our 20<sup>th</sup> Birthday and as a thank you to all our partners who have worked with us during that time, we are introducing an incentive scheme based on any business we transact between now and the end of the year.

## £20,000 = 20 points

For every £20,000 of leasing we arrange for you between October and December, you will earn 20 points, and as the late, great Bruce Forsyth used to say:

"points make prizes!"

At the end of the quarter the person with the most points will win a prize. As the Apple iPod shares our 20 year anniversary, the prize is a brand new iPhone 11.

## 1 deal = £20 to help fight child poverty

For every deal introduced to us, that goes ahead, we will donate £20 per £20,000 leased to Global Care.

£20 pays for six months of school dinners for a child at **Spurgeon's Academy**, a school in Kibera, Kenya.

## About Spurgeons Academy

Kibera is the largest slum in Africa, located on the outskirts of Kenya's capital Nairobi. Heavily polluted by human waste and garbage, up to one million people are believed to live crammed into an area of only 2.5 square kilometres, in wood and sheet metal shacks.

At the edge of Kibera, lies Spurgeons Academy - a school for over 400 children for the poorest and most vulnerable of Kibera's citizens - all affected in some way by HIV/AIDS.

### Terms & Conditions
